

**AT A GLANCE**

**FEATURES**

- TFXtreme's unique design incorporates a patent-pending splined core which allows easy movement and minimum lost motion
- Designed for complex and/or long cable runs (or to simply create a superior feel)
- Available in several style options avoiding the need for adaptor kits
- All TFXtreme cables are available in 1ft increments
- Gen II type suits Mercury 4000 series controls

**TFXTREME ENGINE CONTROL CABLES**

**TECHNICAL DATA**

With it's unique splined core TFXtreme delivers unparalleled smoothness and efficiency - with hardly any lost motion - even in the longest and most complex cable routings. This gives superior feel at the control, performance that until now was considered "impossible".
